CITY OF MERCER ISLAND CITY CODE
CHAPTER 9.30 PARK RULES

SECTION 9.30.220: ADOPTION OF RULES AND REGULATIONS
BY PARKS AND RECREATION DEPARTMENT DIRECTOR

Under the authority of Section 9.30.220 the Parks and Recreation Department Director is empowered to promulgate and adopt reasonable rules and regulations pertaining to the operation, management and use of the parks, and shall post the same in conspicuous places in the parks.

Due to skating and biking activities on park furniture, stairways, handrails, and landscape beds, significant damage has occurred that will require costly repair and replacement. For reasons of public safety, welfare and convenience and preservation of park assets, all bicycling, rollerskating, rollerblading, skating or use of skooters in or around the Mercerdale Park Plaza shall be prohibited effective December 18, 2001. This prohibition of use is consistent with Section 9.30.050 Injury to park property unlawful and shall include all park property in the Mercerdale Park Plaza, including but limited to walkways, stairways, handrails, landscape planters, walls, monuments, picnic tables, park benches, garbage cans and water fountain features.

Signs referencing City Code have been posted in conspicuous places within the Mercerdale Park Plaza area informing park users that there is no bicycle riding, roller skating, roller blading or skate boarding allowed.

Under provisions of Section 9.30.230 Violations- Penalty, any person convicted of a violation of this rule shall be guilty of a misdemeanor.
