CITY OF MERCER ISLAND CITY CODE
CHAPTER 9.30 PARK RULES

SECTION 9.30.220: ADOPTION OF RULES AND REGULATIONS
BY PARKS AND RECREATION DEPARTMENT DIRECTOR

Under the authority of Section 9.30.220 the Parks and Recreation Department Director is empowered to promulgate and adopt reasonable rules and regulations pertaining to the operation, management and use of the parks, and shall post the same in conspicuous places in the parks.

For participant and spectator safety, all spectators shall remain in designated seating or viewing areas only. Designated viewing and seating areas include bleacher areas and behind fenced backstops. No persons, other than authorized team, event or maintenance personnel shall be in any area other than those designated for spectator viewing.

Signs referencing City Code have been posted in conspicuous places within the Island Crest Park area informing event spectators that they are to be situated in designated seating areas during ballfield events.

Under provisions of Section 9.30.230 Violations- Penalty, any person convicted of a violation of this rule shall be guilty of a misdemeanor.
