Mercer Island Gallery
Purpose and Procedures

1. PURPOSE

The City of Mercer Island sponsors the Mercer Island Gallery under the auspices of the Mercer Island Arts Council. It provides local, regional, and nationally known artists and art groups an opportunity to display works in a public setting. The gallery fosters art appreciation by exhibiting works of quality and artistic expression as well as provides a sales channel for artists. Special emphasis will be given to exhibiting works by local and regional artists.

2. EXHIBITION PROCEDURES

Upon acceptance of artworks, the Mercer Island Arts Council will prepare an exhibit agreement with the artist. The Mercer Island Arts Council will exercise all reasonable care with CDs or images submitted and will make every effort to return them at the end of the selection process. (A self-addressed, stamped envelope must be provided.) However, neither the Arts Council nor the City of Mercer Island will be liable for loss or damage of CDs or images submitted. The City of Mercer Island carries an insurance policy for loss or damage to artwork in the Gallery. Artist/exhibit press releases will also be provided to the local media. Please include two 4” X 6” color or black and white electronic prints of work for exhibit for potential publicity purposes.

After receiving approval to exhibit, complete, sign, and return an inventory sheet at least 10 days prior to artwork delivery. The Gallery retains the right to refuse work the day of the hanging if it is deemed inappropriate for the setting/audience. (Art depicting frontal nudity will not be accepted.) The artist/group must transport artwork to and from the Gallery at the designated times. No storage is available.

3. SALES PROCEDURE

If an artist sells a work after the exhibit closes to a patron who saw it in the Gallery during the exhibit, the artist is expected to submit a 10% commission to the Mercer Island Arts Council.

Prices will be displayed beside art and on a sales sheet. Artists receive 75% of the sale proceeds, and the remaining 25% goes to the Gallery. Interested buyers may put a “hold” on a work of art for five (5) workdays during the exhibition. Checks will be mailed to the artist or group within thirty (30) days of the end of the show. All pieces exhibited must be for sale.
