WEEKLY PERMIT INFORMATION BULLETIN

A publication of the City of Mercer Island issued weekly providing official notice of
land use applications filed and decisions made on development permits

You may review the files on projects at the offices of Development Services, 9611 SE 36th St, Mercer Island. Comments on
proposals are accepted for a period of not less than fourteen (14) days from the date of publication of this bulletin.
Comments must be in writing and contain your name and address and reference the project number and location. All written
comments must be filed with the Development Services Group or if there is a public hearing, testimony may be given at the
public hearing before a decision is made in order to establish standing to appeal the decision.

When the SEPA field indicates a Determination of Nonsignificance (DNS) is expected, the optional DNS process is being used
and a DNS is likely. This may be the only opportunity to comment on the environmental impacts of the proposal. The proposal
may include mitigation measures under applicable codes and the project review process may incorporate or require
mitigation measures regardless of whether an Environmental Impact Statement (EIS) is prepared. A copy of the subsequent
Threshold Determination for the proposal may be obtained upon request.

There are no items for the bulletin this week.

In order to appeal a project decision, you must have filed a written comment or testified at the public hearing before the decision was
made. Please contact the City Clerk’s office at 206-275-7793 for information on how to file an appeal.

Correspondence should be directed to the contact person at the following address:
