

Luther Burbank Park Master Plan Project Timeline and Public Input Opportunities

Broad Public Outreach
Website surveys, project mailers/questionnaires, email comments, written comments, and presentation/discussions with possible civic, service, and business clubs in the Mercer Island area.

Small Group Work Sessions
Small group work sessions will be held to provide more in-depth, hands-on work with The Berger Partnership design team. Specific dates and topics have not yet been selected.

**Kick-off Workshop
September 24**
Gather ideas about how the design guidelines can be implemented.

Public comment from the Kick-off Workshop will be used to develop draft alternatives for the Master Plan design.

Town Hall Meeting #1
Presentation of draft alternatives for review and comment.

Comments on the draft alternatives will be used to craft a single "preferred" alternative for the park Master Plan design.

Town Hall Meeting #2
Presentation of "preferred" alternative for review and comment.

Based on comments from Town Hall Meeting #2, the "preferred" alternative will be revised for recommendation to the City Council.
