NOTICE OF DECISION

Project #: SEP06-033
Description: State Environmental Policy Act (SEPA) checklist review and threshold determination for the removal of contaminated soil and the installation of an interceptor trench with site monitoring and treatment facilities.
SEPA Review: The lead agency has determined that this proposal will not have a probable significant adverse impact on the environment therefore a SEPA Threshold Determination of Non-Significance (DNS) is issued pursuant to the optional DNS process, as specified in WAC 197-11-355. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c). This threshold determination was made after review of the completed SEPA checklist, consideration of received written comments as well as other information on file with the lead agency and does not constitute approval of the proposal as a Grading Permit must be issued.
